Dear Warden and George Cho, Esq.,
I'm writing to ask for the appropriate SeaTac personnel to meet with me immediately and perform the manual sentence computation. Please assist with this emergency as I'd be entitled to immediate release and have been detained for an extra 5 months.

Hi Lieutenant Lavatai,

Lt. Sherwood advised me to forward this copout to you. My sentence needs to be manually recalculated for my credit under 18 USC Sec. 3585 and FSA credits (I petitioned the Western Dist. of WA in Case No. 2:23-cv-01497-jhc-dwc and it was ordered to be completed within 30 days of the 1/9/24 ORDER FOR ANSWER (Dkt. 16) so I really need the BOP to comply with the Court's orders immediately and manually compute my sentence. Please have someone come talk to me and address the recalculation tonight or at the latest by tomorrow at noon, otherwise I'll have to seek additional relief from the Courts for non-compliance with their orders.

Thank you for your prompt attention to this emergency.

Hi, I am still waiting for a manual computation of my sentence as ordered within 30 days of the 01/09/24 order (Dkt 16) in the habeas petition. I wanted to know who is in charge of performing the manual computation because I've been in custody for 5 months in excess of my lawful sentence and am entitled to immediate release. I've notified Respondents that I'd seek sanctions and file an additional case if this is not done promptly and anticipate filing the motion for sanctions by the end of today if I do not receive my manual computation for immediate release as detailed below.

Thank you,
/s/ Mahsa Parviz

To: WARDEN
Inmate Work Assignment: 2:23-CV-01407-JHC-DWC

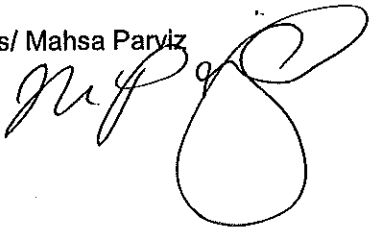

I am writing to confirm my sentence calculation. BOP was Ordered to Answer my habeas action on January 9, 2024 in Case No. 2:23-CV-01407-JHC-DWC, Western Dist. Washington. The petition was initially filed on September 4, 2023 and your counsel confirmed receipt via email of record for all filings and admit to service of petition. Please adjust my sentence immediately, as the BOP did not oppose the following:

- (1) 516 days credit for Texas state offense attempted kidnapping from August 9, 2019 to January 5, 2021 - MUST BE CREDITED UNDER 18 USC SEC 3585 (Dkt. 8, 9)
- (2) 310 days FSA credit for 31 months in federal custody since July 12, 2021 and ongoing.

I need to be released immediately or I will be seeking sanctions and taking separate action as your delay are deliberate and done to prolong my access to family court litigation. I discovered fraud on the Court in a Texas default judgment from 2018 - all my convictions are invalid because of it and my daughter was illegally kidnapped from me, not BY me. My entire sentence has been served when accounting for the credits above and BOP keeps dragging their feet when it comes to doing simple math or scheduling surgery for me. My medically necessary breast surgery has been delayed all summer and still hasn't been scheduled or performed because your facility is waiting for a Court order directing you to release me, despite knowing you already should've done so a long time ago. I am in so much pain I can barely finish typing. I am severely prejudiced by the BOPs blatant disregard for my constitutional rights to be free of cruel and unusual punishment under the 8th Amendment and the substantive due process. Please recalculate as stated in this message and release me from your custody now.

Respectfully submitted,

/s/ Mahsa Parviz
